

PREVENT THE CORONAVIRUS!

(COVID-19)

Tourism Sector:

1

Ensure the dissemination of information provided by the Ministry of Health to all staff, suppliers and tourists to use your services.

Identify a coordinator to define the roles and responsibilities of each person in preparation of and response to this international alert.

2

3

Implement all the preventive measures recommended by health authorities throughout your company.

Provide staff with access to medical services if cases of suspected symptoms of the coronavirus appear.
